| Personal, Social, Emotional Development (PSE)             | This week's Confident Me helps us to see ourselves and our abilities as our own superpower, to understand that we are enough and celebrate our many unique strengths that make us who we are.<br><i>"You are braver than you believe, stronger than you seem and smarter than you think."</i> AA Milne.   |
| Physical Development (PD) & Communication & Language (CL) | As part of our focus on Special Places, we will take our shoes and socks off and go on a sensory walk over a variety of textures such as real grass, artificial grass, sand and water and talk about what we feel.  |
| Literacy development (LD)                                 | To support our fluency and confidence as readers, we are focusing on sight reading as much as possible. Therefore, each morning, we have a selection of books to choose from which are much simpler to decode in order for us to read more 'smoothly'. When reading at home, please encourage children to sight read frequent words such as it, at, in and words which are repeated often in a book such as a character's name. |
| Mathematical Development (MD)                             | We will think about the theme 'what's the difference?' as we work out how many more or how many less using manipulatives, our fingers and mental maths.<br><a href="https://www.bbc.co.uk/iplayer/episode/b0bn57fv/numberblocks-series-3-whats-the-difference">https://www.bbc.co.uk/iplayer/episode/b0bn57fv/numberblocks-series-3-whats-the-difference</a>  |
| Understanding of the World                                | Last week, the Naughty Bus went missing and this week, we will discover that the Bus and Obb have gone off on an adventure to Space! We will share our knowledge about planets and space.   |
| Expressive Arts & Design (EAD)                            | This week's choice of artists to study is Freda Kahlo whose work often included self-portraits.   |
